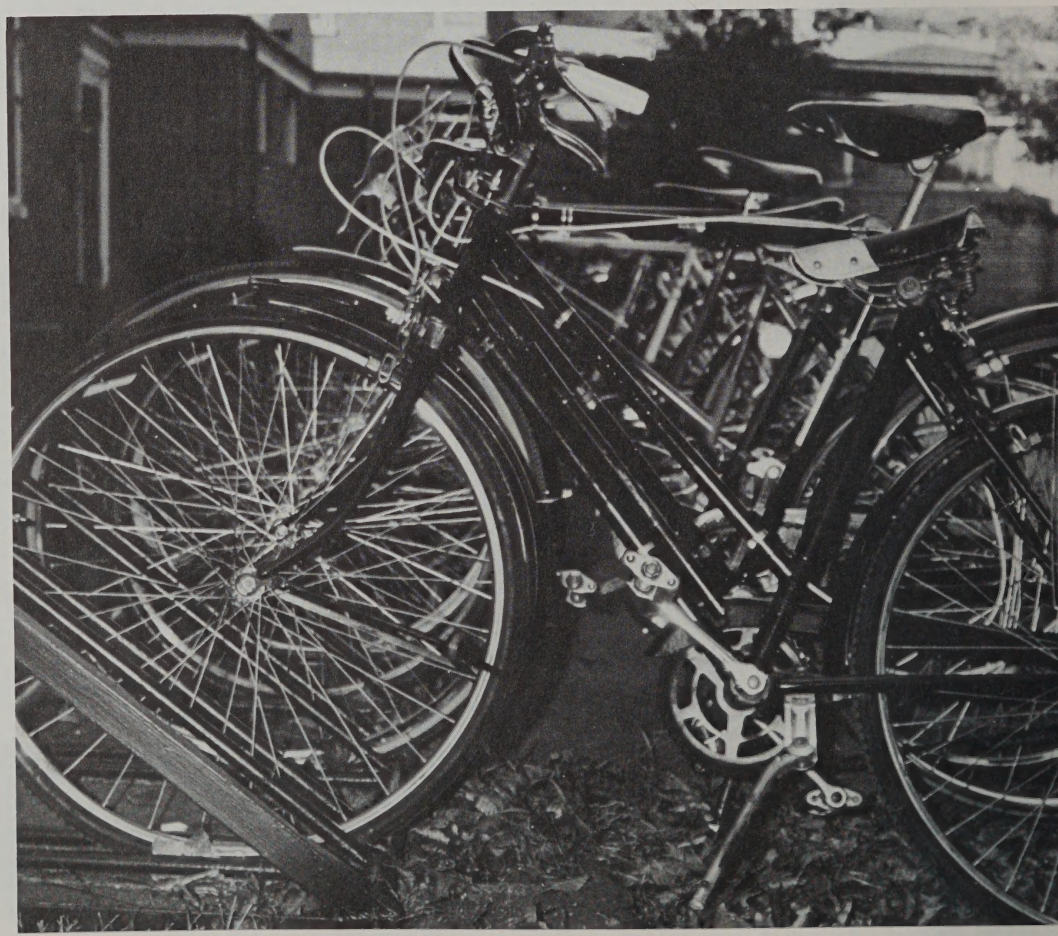
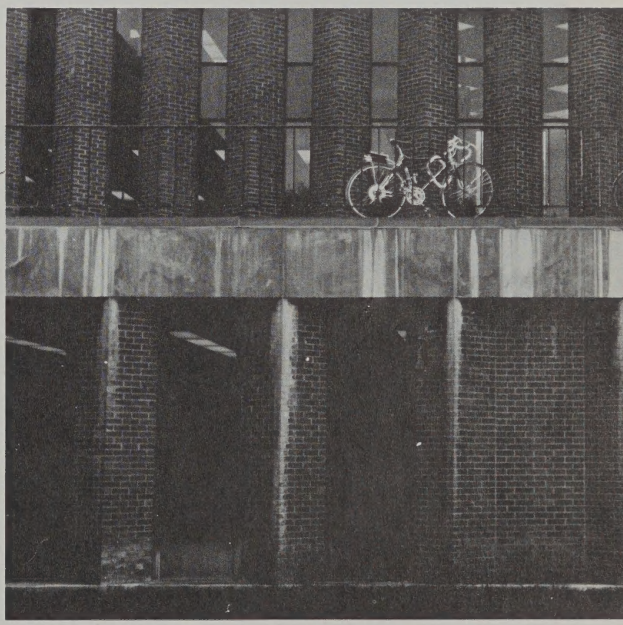
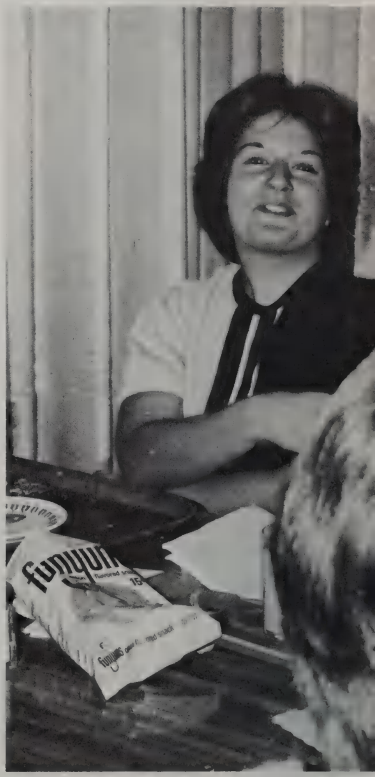
WHEATON
COLLEGE





Don't believe that your truth can be found by someone else. More than ever shun such a belief. What someone else would have done as well as you, don't do. What someone else would have said as well as you, don't say; written as well, don't write.



Attach yourself only to what is nowhere else but in you and create out of yourself, impatiently or patiently, the most irreplaceable human being!

There is a land
whose being is almost unimaginable to the
Human Mind.
On a clear day,
we stand there and look farther than the
ordinary eye can see.
Far above the roof of the world
we can encompass vistas of the worlds.

There is a land
where the sun shines eternally
Eternally eternal;
Out in outer space
A living blazing fire,
So vital and alive . . .
There is no need to describe its splendor.
